

# SIMMONS FARM SUMMER CSA FOR 2012

Below is the 2012 Simmons Farm CSA form. Community Supported Agriculture is a program that allows you to purchase in advance a share of a seasons harvest. You will be rewarded for your commitment to the farm by receiving a weekly bounty of the freshest, most delicious produce, eggs, meats and cheeses that Simmons Farm can produce. CSA builds a lasting relationship between you, the land and your farmer, all helping to keep us connected to our community and to our food source

**Keep it local, keep it green, and keep it fresh!**

Thank you so much. Any questions call Karla at 848-9910. Many Thanks, The Simmons Family
