

# Simmons Farm Summer CSA 2017

*June 5 - November 20, 2017 (25 weeks)*

Welcome to Debit Style CSA

It will allow more flexibility, choice and convenience to you, while still providing the farm with operating funds and a secured market. **Debit Style CSA- it's Simple!** You sign up and send us a check for the amount you would like to spend over the 25-week season by December 30, 2017. The higher the sum and the earlier you join (check the dates below), the greater the bonus will be. At your first pick up, you will receive a Simmons Farm card loaded with your total, including your bonus bucks and a complimentary CSA canvas tote bag to bring with you to carry your groceries.

You do not have to come every week, so if you're out of town, no worries! Nor do you have to spend an exact amount each week. You choose from a variety of that day's harvest and treats from our certified dairy, meat freezer and the other local products we will be sourcing from our local farm and business friends. You may select cheeses, meats, veggies and any off farm products that we buy in or value added products we decide to create. Some weeks you may only want a cheese and a bag of salad greens, the next time you may be planning a large party with a large shopping list. The only requirement is that **all** funds must be used by the end of the season, as nothing will be carried into the next seasons CSA.

**You will have the option of coming to the farm on either Mondays or Fridays from 3-6pm or Saturdays to The Hope St. Market in Providence, you do not have to commit to either day, and you can come on whichever day is most convenient that week.**

Below please find the pricing options for the 2017 Summer CSA program and circle your selection. Remember, you do not need to adhere to a specific \$ amount each week, its simply a guide to help you decide.

I understand that Simmons Farm is accepting my check and thereby my commitment and membership in the 2017 CSA season.
