

# Simmons Farm Winter/Spring CSA 2018/19

November 26 - May 28 (26 weeks)

**Debit Style CSA- it's Simple!** You sign up and send us a check for the amount you would like to spend over the 26-week season by October 31, 2018. The higher the sum, the greater the bonus will be. You will be issued a new Simmons Farm Debit Card with the total you spend and the bonus bucks you are given or we will add to your card if you are already a member. Anytime you shop we will total all of your purchases and deduct it from your balance, just like the summer CSA.

You do not have to come every week, so if you're out of town, no worries! Nor do you have to spend an exact amount each week. You choose from a variety of that day's harvest and treats from our certified dairy, meat freezer and the other local products we will be sourcing from our local farm and business friends. You may select cheeses, meats, veggies, Karlamels and any off farm products that we buy in or value added products we decide to create. Some weeks you may only want a cheese and a bag of salad greens, the next time you may be planning a large party with a large shopping list. The only requirement is that **all** funds must be used by May 28, 2019. If you are a year round CSA member, any money left over will roll over to the next season.

**You will have the option of coming to the farm on either Mondays or Fridays from 3-6pm or Saturdays in Pawtucket at The Hope Artiste market from 9-1, you do not have to commit to either day, come on whatever day is most convenient that week or come both days.**

Below please find the pricing options for the 2018/19 Winter/Spring CSA program and circle your selection. Remember, you do not need to adhere to a specific \$ amount each week, its simply a guide to help you decide.
