

Simmons Farm Summer/Fall Buyers Club

June 1-Nov 23 (26 weeks)

How does this buyers club work? - it's Simple! You sign up by sending us a check for the amount you plan to spend over the 26-week season **by May 30, 2020**. All Buyers Club Members will be issued a **Simmons Farm Debit Card**. Whenever or wherever you shop from Simmons Farm, we will total all your purchases and deduct it from the balance.

This is a flexible spending plan; you do not have to shop every week. If you're out of town, no worries! You also do not have to spend an exact amount each week. Some weeks you may only want a cheese and a bag of salad greens, the next time you may be planning a large party with a large shopping list.

You will choose from a variety of that day's harvest, treats from our certified dairy, meats from freezer and the other local products from partnering vendors. When shopping you may select from a variety of cheeses, meats, and veggies along with specials such as our Karlamels (dangerously delicious dairy caramels) and other farm products. The only requirement is that all funds must be used by November 23, 2020. If you are an annual, year-round CSA member, any money left over will roll over to the next season.

Below please find the pricing options for the **2020 Summer/Fall Buyers Club**. The higher the sum, the greater the bonus will be. *Remember, you do not need to adhere to a specific \$ amount each week, its simply a guide to help you decide.*
